REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT

Dear Sir:

Applicant requests reconsideration of the patent term adjustment (PTA) in light of the *Wyeth v. Dudas* decision (D.D.C., Memorandum Opinion for Case No. 07-1492, Sept. 30, 2008).

Applicant agrees with the Office's calculation of 683 days of "A delay" and 155 days of Applicant delay, which resulted in the Determination of Patent Term Adjustment of 528 days.

Pursuant to 37 C.F.R. § 1.705(d), Applicant hereby requests an additional 626 days of "B delay." Applicant arrived at this number by calculating 641 days as the difference between (a) the September 15, 2009 date of Issuance and (b) the December 14, 2007 3-year anniversary from filing. From this total, Applicant subtracts 15 days for overlap between the "A delay" and the "B delay."

Thus, Applicant respectfully requests that the Office reconsider the PTA calculation, and adjust the total from 528 days, up by 626 days, for a new total of **1,154 days**. If a telephone conference would expedite the prosecution of this Request, please contact the undersigned attorney at (312) 913-0001.

Respectfully submitted,
McDonnell Boehnen Hulbert & Berghoff LLP

Date: October 7, 2009
